

Acts

Monday

Acts 4:32

What does it really mean to be in one heart and mind?

Would you say that the church of this city is in one heart and one mind?

List some things that would change if we were. What part do you play in being "one"?

Tuesday

Acts 4:32

What part of letting your possessions go as not your own would you struggle with?

Is there something that you would hold on to? People? Time? Things?

What would be the result in our church if we offered everything to each other?

Wednesday

Acts 4:33

What is your powerful testimony? Write it out.

Who need to hear this?

What blessing of God is on you? Does the way you live your life show that you have this blessing?

DOME

Acts

Thursday

Acts 4:34

Why has this concept been lost in the modern church?

Why don't we often know of the needs that each other might have?

Is there such a thing as being spiritually needy? What should our response be to that?

Friday

Acts 4:34-35

What might be the result if we took time to know, really know one another?

What stops you from letting other get to know the real you?

Challenge: Be vulnerable with a brother or sister in Christ this week in one area that you have guarded closely.

Saturday

Acts 4:32-37

Find at least 2 people tomorrow at church that you don't know and have a meaningful conversation with them.

Be in prayer all day today for God to show you an area of your life that you need to be vulnerable with your church family in. Take a risk!

What's the worst that could happen? What's the best that could happen? Is it worth the risk?
