Monday

Joshua 14:1-5

Take a list of all the Tribes of Israel and locate their land on a bible map.

Which area would you have desired most? Why?

Who were the two and a half Tribes east of the Jordan and why were they there?

Tuesday

Joshua 14:1-5

Explain all the differences you can about the tribe of Levi.

Would you see being setting apart like the Levites were as a blessing or a burden? Why?

What has your response been when God called you into ministry that would cost you something?

Wednesday

Joshua 14:6-9

Why do you think that Caleb was the only one to give a truthful account to Moses?

Have you ever been afraid to share truth? Explain.

What would you have to change for someone to say about you that you followed the Lord 'wholeheartedly'?

DOME

Joshua

Thursday

Joshua 14:10-15

Spiritually speaking, are you as strong as you used to be? If not, why is that?

Would you consider yourself a defender or an attacker in spiritual matters?

What has God promised you that you are believing in faith that you will receive?

Friday

Joshua 15:1-12

List some facts about the Tribe of Judah. Are there any descendants that stand out?

Who lives in the land allotted to Judah today?

Who resides in the 'land' set apart in your heart today?

Saturday

Joshua 15:13-19

What could you ask your Father, God that would be too much to ask?

Have you asked Him for springs of living water or do you settle for living in a dry land?

Use this time to ask God what He desires from you and take time to listen.
