

Joshua

Monday

Joshua 22:6-9

What 'riches' has God blessed you with that you take with you?

What 'riches' has God blessed you with that you fail to take with you?

Do you think we de-value gifts when we ignore or neglect them? Explain.

Tuesday

Joshua 22:10-12

What has that other denomination 'built' that we have been ready to go to war over.

Why to you think that they were they preparing for this war?

Make a list of the alters you have been building lately. Who do they honor?

Wednesday

Joshua 22:13-14

Why did they send these men instead of 'simply' going on to war?

What is the message for us in that?

Are you more likely to go to war or get the facts first when dealing with conflict? What has been the result?

DOME

Joshua

Thursday

Joshua 22:15-20

Why do you think that they believed Ruben, Gad, and Manasseh were doing something wrong?

What kind of alter should we as a church be building today?

How were those who questioned, right, and how were they wrong?

Friday

Re-read Joshua 22:15-20

Compare this to how the church sometimes acts toward one another.

What might we do that other churches could find questionable?

Can you name a time that you found fault with someone for something you did not understand?

Saturday

Joshua 22:21-23

How do you think the assembly felt after hearing this explanation?

Have you ever placed yourself into a similar situation? How did you react when you found that you were wrong?

Verse 22 says that the lord knows. Is there some alter you have been 'secretly' building? What should you do about it now?
