## Joshua

**Thursday**

**Joshua 23:14-16**

Why do you think God would destroy the nation after He has done so much to clear a path and bless them?

Do you think God does this in any way today?

Who is God? Explain His position and compare it you ours. Do you give Him the respect He deserves?

---

**Friday**

**Joshua 24:1-13**

Why was it important for Joshua to remind the nation of where they had come from?

What is your story? Have you ever taken time to document what God has delivered you from?

Who might benefit from your History lesson?

---

**Saturday**

**Re-read Joshua 24:1-13**

What has the Lord done for you that you have failed to remember?

Can you make a list of something you received that you didn't work for or even earn?

Take this day and be in constant prayer, remembering what he has brought you out of while appreciating the gifts He has poured out upon you.
