

# Joshua

**Monday**

**Joshua 24:14**

What does 'fear the Lord' mean to you? Do you do this?

Make a list of the idols that have gotten in the way of your service to God.

Would you say that you serve Him with all your heart? What stops you?

---

**Tuesday**

**Joshua 24:15**

How do you think this verse might have been received? How would you receive it if it were asked of you?

If they refused to serve God, why were they told to make a choice as to who they would serve?

Would you say that you have chosen to serve the Lord? Would your schedule reflect your answer? What are you doing to ensure your family will serve Him as well?

---

**Wednesday**

**Joshua 24:16-18**

How often do you remember what God has delivered you from? What might change if you recalled it more?

Verse 18 says 'He is alone our God'. Is He your God alone? What 'gods' need to be removed if not?

Have you experienced the wilderness and had only God to depend on? What was that like?

## Joshua

**Thursday**

**Joshua 24:19-20**

Why were they told that they were not able to serve this Holy God?

Are we better able to Serve Him? If so, how? If not, what hope do we have?

If you have not received what you deserve, how should you express your thankfulness? Or are you thankful?

---

**Friday**

**Joshua 24:21-27**

Why did Joshua force the people to make their choice in the manner that he did?

What is the lesson for us in being accountable for our word?

Would you say that you have been faithful to keep your word? What would those close to you say if they were asked?

---

**Saturday**

**Joshua 24:28-33**

What do you think was Joshua's greatest moment?

In what ways are you like Joshua and in what ways are you different?

Who in your life needs you to be a leader showing them the way to salvation?
