

Joshua

Monday

Joshua 4:8-9

Twice it is mentioned that the stones were taken from the middle of the Jordan. What is the significance?

What did you set apart for the Lord long ago that is still there to this day?

What was set apart to the lord long ago that has since crumbled away?

Tuesday

Joshua 4:10-13

What might you imagine the priests were doing while standing in the Jordan?

What has God asked of you that would require you to be still and trust Him? What is your response?

Why were they to get ready for battle instead of an extended celebration for having crossed over? What is the lesson for us?

Wednesday

Joshua 4:14

What do you think it means that the Lord exalted Joshua in the sight of Israel?

How do you give respect to those whom God places in leadership?

Are you ready to head the call into leadership now? What would stop you?

Thursday

Joshua 4:15-18

Where and how was God communicating with Joshua at this point?

Describe the environmental impact down stream and up stream during the cross over. What had been happening to both?

Describe how your obedience has had an affect on those around you.

Friday

Joshua 4:19-24

Who was the dry ground testimony really for, Israel or as a sign to all nations? Why?

Who in the current Hebrew population had experienced the Red Sea crossing?

Why do you think God used this dry ground testimony again?

Saturday

Joshua 4:21-24

Are you preparing yourself to be a living stone that will testify to those who come after you? How or why not?

Describe what it means to fear the Lord?

Make a list of dry ground experiences that God has led you through.
