

Joshua

Monday

Joshua 5:1-3

Explain what you know about God's purpose for circumcision.

Is there anything you have done to be shown to be set apart for the Lord?

If you have been 'set apart', what do you do to make sure you live that way?

Tuesday

Joshua 5:4-5

Why would God have had the Israelites circumcised if they were only going to die in the desert anyway?

Is there something that God has intended for you that you are getting in the way of?

Make a list of the 'gods' in your life that battle to be in first place. What should you do to make sure that God alone has His place in your life?

Wednesday

Joshua 5:4-8

Can you remember a desert experience you have gone through? Why do you think it happened?

Do you think that God is more casual concerning our sin than He was then, or are we because of grace? What should be our response when faced with dealing with the sin we commit?

Examine yourself now, what needs to be left to die in the desert?

DIVINE

Joshua

Thursday

Joshua 5:9

Explain how sin is really slavery.

What reasons would God want us to live without the shame of our past sinfulness?

How is living in victory better than living in defeat?

Friday

Joshua 5:10-12

What was manna? What do you think the reaction might have been of Israel when it was not there?

Has God been preparing you to step out into something new? What will be your response?

Describe what the Passover is and why was it important for Israel to celebrate? What should you be celebrating?

Saturday

Joshua 5:13-15

'Dirty shoes' or 'sandals off', how are you more likely to respond to your commander?

Why do you think the answer was "neither" when asked friend or foe?

What do you think your honest answer to 'friend or foe?' would be if God were to ask you?
