

Joshua

Monday

Joshua 7:1

What have you 'brought' with you from your old life that God is displeased with?

Remembering how God has dealt with Israel in the past, why do you think they would disobey?

What was so wrong with keeping some items of value from the city?

Tuesday

Joshua 7:2-5

What was done right and what was done wrong in this passage?

Why was Israel routed? What should have happened?

What are things that make you lose heart or faith? What could make that change?

Wednesday

Joshua 7:6-9

What sin or 'spiritual tragedy' makes you react with such sorrow? Anything? Why or why not?

Can you name a time when you blamed God for something that happened as a result of your unfaithfulness?

How could Joshua have expressed such a defeated attitude? Do you ever do the same thing?

DIVINE

Joshua

Thursday

Joshua 7:10-12

Re-write this passage in your own words.

What are you in possession of that might keep you from standing against your enemy?

What is the message for us in verse 12? What are you going to do about?

Friday

Joshua 7:13-15

What does this say about God's attitude concerning sin?

Do you think God has softened his position concerning our sin? Why?

If not, how should we look at what Jesus did for us?

Saturday

Joshua 7:16-26

If this illustrates that 'the wages of sin is death' How does this apply to you?

If God is this angry about our sin then how can we be so casual about it?

Take today to examine yourself. Consider what your reaction should be concerning your sin and what Jesus did to take it upon Himself.
