Monday

Joshua 8:1-2

Why do you think God allowed plunder to be kept at Ai but not previously at Jericho?

Do you live like the battles ahead are already won? Give examples.

Name some areas of your life that you need to hear God say "Do not be afraid, do not be discouraged".

Tuesday

Joshua 8:3-9

When God calls you into a mission, do you bring your best to the job? Why should you?

Consider your past, have you been ambushed more than you have been to one attacking? Why do you think that is?

Is there something that God has given you victory over that you have failed to 'burn'? Has it ever come back to attack you again? What is the lesson in that?

Wednesday

Joshua 8:10-13

What is your plan to deal with a sin or stronghold that lies between you and God. Should you have one? Why?

Do you think believers have a casual attitude toward sin? If so, why is that dangerous?

What would it be like if God had a casual attitude concerning our sin?

Joshua

Thursday

Why were no survivors to be left from the city?

What is the lesson for us in that?

What is that one sin that you have left undestroyed that keeps returning to attack?

Friday

Joshua 8:24-29

Can you compare verse 26 with other battles Israel had fought?

What are some ruins that are in your past as a result of God bringing a victory in you?

What is the proper way to celebrate these victories?

Saturday

Joshua 8:1-29

What battles should the church be preparing for now? How do we prepare?

What might be the result of good preparation and poor preparation?

What must we do to ensure God is glorified in for what He does in the body of Christ
